

RESOLUTION

1985-2

Whereas, Arkansas municipalities are required by Act 866 of 1985 to provide workers' compensation coverage for their officials, employees and volunteer firemen, and

Whereas, the effective date of the municipal responsibility for funding this coverage is July 1, 1985, and

Whereas, the Arkansas Municipal League is proceeding to meet the requirements of Act 866 by forming a group of municipalities to self-fund the coverage, and

Whereas, it is felt that self-funding will enable us to provide this coverage in the most economical manner possible,

NOW THEREFORE BE IT RESOLVED BY THE CITY (OR TOWN) OF Brookland, ARKANSAS:

Section 1. That the governing body of the city (or town) of Brookland, Arkansas, directs its mayor to sign and complete the Application for Membership in the Arkansas Municipal League's self-funded workers' compensation program in compliance with Act 866 of 1985.

Section 2. That upon receipt of the statement for this coverage, the Treasurer and/or other proper officials shall see that it is paid immediately. The mayor shall be authorized to require reimbursement to the general fund from the independent agencies of the city for whom the coverage is provided for their pro rata share of the expenses.

Section 3. It is hereby found and determined that the workers' compensation coverage as called for in this Resolution is essential to the continued receipt of general turnback from the state and therefore an emergency is hereby declared to exist and this Resolution being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after its passage.
