

Merry Christmas

November 6, 2020

The City of Brookland is saddened to announce that the 20th Annual Brookland Christmas Parade has been canceled due to the potential risks associated with the spread Covid-19. First and foremost, the safety of our citizens and the parade participants is top priority. We look forward to next year and to having our 20th annual parade on December 5, 2021.

As we look forward to the holidays, I want to encourage Brookland residents to remember to social distance when they are out in crowds, and if they cannot socially distance; then to wear a mask and remember to wash their hands and sanitize. It is each of our responsibility to protect ourselves, our family and those around us. Remember our country, our troops and may God Bless You during the holiday season.

Kenneth Jones, Mayor
