6:03 David Loggins opened the meeting by stating he had received an email from John Eckart, Director of Business Development with RJR Enterprises, LLC regarding bids for the 2 smaller city parks (East Ridge and Smith Road). Eckart made an offer to work with the city through the OMNIA Partners purchasing cooperative. Eckart stated that he felt a majority of the work could be completed by his company (minus parking lot work). Bids included much of what is required, but not all. Current parks budget amount is around \$500k. These estimates are roughly \$346,551 for both parks. Mayor Jones will have to approve this bid. We have 30 days after approval from mayor and submission from OMNIA. This bid does not include lighting or parking lot work. Purchasing through OMNIA should make the costs even cheaper. No formal decisions were made regarding this offer.
